

Promoting the anti-corruption role of Supreme Audit Institutions in Latin America and the Caribbean: the way forward

POR EL CUIDADO Y BUEN USO
DE LOS RECURSOS PÚBLICOS

1. Supreme Audit Institutions (SAIs) and the UNGASS political declaration

The anticorruption role of SAIs

5. We stress the role played by SAIs and other oversight bodies in preventing and combating corruption, in particular with regard to promoting integrity, accountability, transparency and the proper management of public affairs and public property, as well as the efficient use of public resources.

Our contribution to the fight against corruption

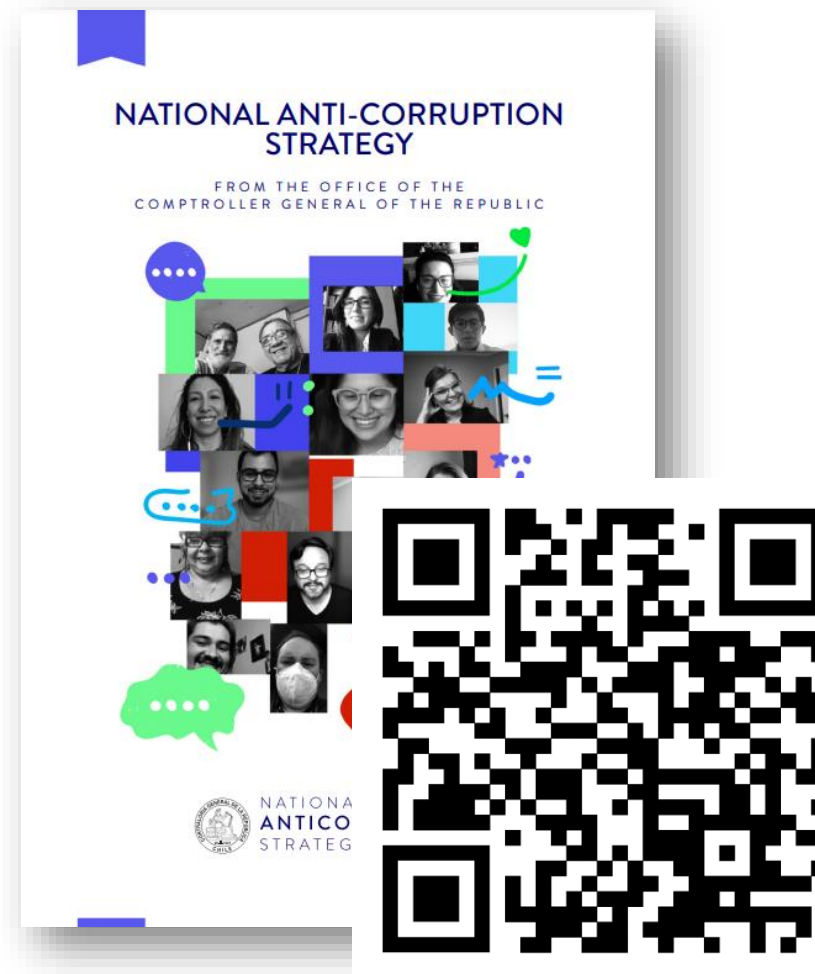

The **preventive legal control and the ex-post control** carried out by the Comptroller's Office are powerful and effective tools to prevent, detect and investigate irregularities in public institutions.
